

Referrals

Referrals for consideration for eligibility for gifted services may be made for students in grades K-12 by teachers, counselors, administrators, parents or guardians, peers, self, and other individual with knowledge of the student's abilities. Automatic referrals are made when specific scores are met on a nationally-normed assessment instrument, as well as, the Georgia Criterion-Referenced Competency Tests. Parental consent must be obtained prior to evaluation.

Flow Chart of the Referral Process
