

OUTLOOK

Service Models

Resource Model

- * Pullout for identified gifted students
- * Enrichment
- * Content-based curriculum
- * Emphasis on higher level thinking skills

Internship (Grades 9-12)

- * Students work with a community mentor

Joint Enrollment (Grades 9-12)

- * Students participate in the joint enrollment program with a post-secondary institution, typically, East Georgia College and Swainsboro Technical College.

Independent Study (Grades 6-12)

- * Students pursue an area of interest apart from the rest of the class.
- * Requires a written contract between teacher of the gifted and student

Advanced Placement Program (Grades 9-12)

- * Guidelines set by the College
- * College level courses with exit exams
- * College credit awarded by most colleges for exam grade of 3 or better.

Honors/Advanced Courses (Grade 6-12)

- * Teachers hold gifted endorsement
- * Acceleration of state curriculum
